To whom it may concern:

Please allow this letter to serve as a personal reflection of my experiences with Rick Sendker and the Glendale Painting Company. During my tenure in various Senior Management positions for The Sherwin-Williams Company, I have worked with every type of paint contractor across many paint markets. Several contractors come to mind that I would recommend without reservation. Glendale is one of those customers.

Rick and his company have been in the painting business in excess of 10 years. Over those years, Rick's quality work, fair prices, and excellent customer service has fueled impressive growth and stability. Glendale Painting operates throughout the Southeast, and manages large multi-site, multi-state customers effectively and profitably.

On a personal note, Rick has always been ethical and honest. He is refreshingly candid and easy to talk to. I believe a major reason for his success is the fact that his personal strengths serve as the fundamental underpinning for his business.

I would have a high degree of confidence and comfort knowing that Glendale Painting was the contractor on my job.

My office number in Atlanta is (404) 621-6795. I would be happy to further a conversation regarding Rick and Glendale with anyone who feels the need to do so.

Sincerely,

THE SHERWIN-WILLIAMS COMPANY
