Please allow this letter to serve as confirmation that Glendale Painting has purchased materials from Coastal Construction Products for a number of years. Materials purchased include, but are not limited to Concrete Repair Mortars, Sealants, Waterproof Deck Coatings, and Wall Coatings. The Glendale account is in good standing and has a good payment history.

We at Coastal enjoy doing business with Glendale Painting because of their professionalism and experience. We are confident when we sell materials to Glendale that the materials will be applied in strict accordance to manufacturer recommendations along with strict quality control procedures put in place by Glendale Supervision.

In closing, Coastal takes great pride in knowing that Glendale has successfully installed our Concrete Repair and Waterproofing materials on a multitude of projects throughout the state of Florida.
